Hikomichi Kawabata, Director and General Manager of Human Resources & General Administration Department

TEL 0545-62-5020

We plan to construct a U.S.A. Second Plant to supply body parts for mini trucks and minivans to be manufactured at the new Mississippi plant of Nissan North America, Inc. We therefore would like to notify you of the outline of this plan.

- | | |
|--|--|
| 1. Planned construction site | Forest, Mississippi |
| 2. Plottage | 203,350 m ² |
| 3. Building area | 10,000 m ² |
| 4. Scheduled date of start of operation | Early May 2003 |
| 5. Plant and equipment investment budget | Approximately 1 billion yen |
| 6. Personnel | About 100 persons |
| 7. Other matters | <p>For the time being, we will establish the facility as an assembly plant. However, we are considering establishing a press plant as an annex to the assembly plant in the future once we have a clear picture of production trends.</p> <p>In the meantime, we plan to receive panel parts (press formed parts) from the existing UNIPRES U.S.A., INC. (Portland City, Tennessee).</p> |
